Frontline 67 Discussion

Mr. Lepley led a discussion about Frontline 67. Six persons are members of the Frontline team. Mr. Miller volunteered to contact LVATV members seeking a volunteer for their areas. Mr. Miller said he was still considering the role for Montgomery County.

Mr. Lepley reported that he recently received an approach from Frontline member Scott Vogel about a group that was seeking help in planning a riding area. Mr. Lepley has been in touch with this group

and an exploratory effort is under way. PaOHV will be advising this group as it moves forward. Mr. Lepley stated that this kind of information reporting is exactly what was expected of the Frontline system.

AOAA Update

Mr. Lepley reported that the Friends of Anthracite Recreation web site is still not fully operational but getting closer. Mr. Fetterman reported that he is moving forward with S/MARC's help with the organizational steps necessary to constitute FOAR as a formal organization. The greatest barrier is that FOAR has no funding stream and one must be developed for the group to become sustainable.

Action on AOAA by the County Commission will certainly come after the election.

General Activity Report

A conference call with PATRA is set for early November with a date to be finalized. The purpose of the call is to receive an update on the club's activities.

PaOHV must appoint two alternates to SAAC. Jack Clark will consult with the Snowmobile Association on agenda items. A meeting needs to be held. Liz Krug is the new volunteer head of PSA.

The Lehigh Valley ATV Assn will host its annual winter ride on December 27, 28 and 29 in the Sproul Forest.

Next Meeting

The Board agreed to meet by conference call on Tuesday, November 15, 2011 at 5:30 p.m. The meeting adjourned at 6:30 p.m.
