

SCORE is an interactive training program designed to promote safety and environmental stewardship when participating in off highway vehicle recreation.

SCORE encourages sensible usage of the environment with respect for:

Erosion Prevention
Wildlife
Water
Vegetation

SCORE encourages respect towards:

Equestrians **Mountain Bikers**
Hikers **Bystanders**
Fellow OHV Users

SCORE encourages rider etiquette with respect for:

Off highway vehicle laws

Signage

Private Property

SCORE encourages safety by:

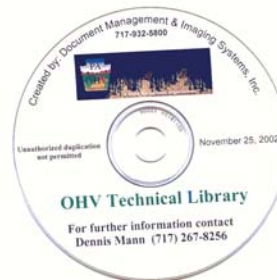

Riding In Control

Maintaining Your Equipment

Always Wearing Safety Gear

SCORE includes the PaOHV Technical Library CD:

The Library contains over 1600 pages of technical data. The Library is on CD ROM in Adobe format for easy access. PaOHV Technical Library is your resource on OHV issues.

To schedule a no cost **SCORE** training presentation for you or your club contact:

of Conservation and Natural Resources

The Purpose of the Pennsylvania Off Highway Vehicle Association (PaOHV)

"The PaOHV shall be identified as an association composed of off-highway vehicle clubs and coalitions, individuals, agencies, companies, and corporations. The PaOHV represents those entities that envision, endorse, and provide for environmentally compatible off-highway vehicle (OHV) recreational activities in such a manner that is deemed responsible, acceptable, and safe within the Commonwealth of Pennsylvania. The PaOHV shall actively, collectively, and professionally support and promote such attitudes, behaviors, and regulations that will ensure the positive future for the OHV community and the well being of our environmental resources."

PaOHV Bylaws
August 2002
